Here we have from a running 2005 Arctic Cat 500 Automatic 4X4 Part Properly Removed: OEM Servo Assembly in Good Working Order. Let's work together to make a great community, full of fabulous bargains ...I just bought a 2006 Arctic Cat 500 (575 miles). It ran great when I tested it. Brought it home rode it fine. Added some gas, pretty sure the gas was good. Ran good, then all at once starting stalling when trying to open throttle and take off. Have to play with throttle to get going, still never m...
