While Aion's other tank class, the Templar, excels with the use of a traditional sword and shield, the Gladiator's skills make using greatswords and polearms far more beneficial and add to their raw carnage during battle. This guide will cover the basics of the Gladiator class. Aion Warrior can be built in Gladiator and Templar, so which is the best choice for PvP or PvE in Aion? This guide mainly focused on introducing the two kinds of build to readers, and the difference between these two kinds of build. Indicated by official site description, the Gladiator is good at dealing damages instead of defending.
