

# Download Brownie Quest Discovering Me

Notes: Hi! I'm Phantom! Whelp, this is a thing. This is my first work on this site so if ya got any pointers for me I would love to hear them. This fic is inspired by Bendy and Boris: The Quest For The Ink Machine over on tumblr. thebbros has done an awesome job with art.Preface: I have been smoking Dunhill Standard Mixture Medium for near-on 30 years, believing that it has no equal anywhere on earth. But it is gone now, and so I begin a quest for my Holy Grail: A substitute to replace the standard on which all English tobaccos are based:
