

Download Challenger Build Manual

The new 2019 Dodge Challenger has a Supercharged 6.2L HEMI SRT Hellcat V8 Engine! No one else pays homage to the American muscle car like Dodge! The fuselage assembly of the Challenger is nearly complete when shipped from the factory. Most bolts, nuts, washers etc. are in place. Be sure to carefully inspect all parts and assemblies for integrity before you start this section. If you have the flaperons or the Special cockpit mod upgrades, install these at this time. The 2019 Dodge Challenger builds on its muscle car heritage. Explore Supercharged 6.2L HEMI SRT Hellcat V8 engine, SHAKER hood and other performance capabilities.
