

Download Concise Manual Of Cosmetic Dermatologic Surgery

Concise Manual of Cosmetic Dermatologic Surgery is written by four of the field's preeminent experts who deliver clear, authoritative guidance on the most essential cosmetic dermatology surgical techniques. CONCISE MANUAL OF COSMETIC DERMATOLOGIC SURGERY NOTICE Medicine is an ever-changing science. As new research and clinical experience broaden our knowledge, changes in treatment and drug therapy are required. "Surgical procedures, especially cosmetic procedures, and laser are growing rapidly in the field of dermatology and dermatologists need to feel skilled at these in order to provide the care our patients expect of us. Concise Manual of Cosmetic Dermatologic Surgery is meant to be an all-inclusive guide for physicians entering the field of cosmetic surgery, including both residents as well as physicians who wish to expand their knowledge in this arena. The book includes information regarding reconstructive techniques, i.e., flaps and grafts, so as to enhance
