

Download Creatures Of A Day And Other Tales Of Psychotherapy

Creatures of a Day: And Other Tales of Psychotherapy [Irvin D. Yalom] on Amazon.com. *FREE* shipping on qualifying offers. The publication of *Creatures of a Day* is reason to celebrate. --Steven Pinker In this stunning collection of stories *Creatures of a Day: And Other Tales of Psychotherapy*. Yalom is also masterful at the interplay between psychiatrist and patient. Any clinician would be envious of his swift deductions and graceful repartee with his patients (though, admittedly, as he writes it all down, he does have the power of the revisionist's pen). All of us are creatures of a day; the rememberer and the remembered alike. All is ephemeral—both memory and the object of memory. The time is at hand when you will have forgotten everything; and the time is at hand when all will have forgotten you. Always reflect that soon you will be no one, and nowhere. Like *Love's Executioner* and Yalom's other writing, *Creatures of a Day* provides an intelligent, compassionate, yet still unflinching look at the human soul and all the pain, confusion, and hope that go with it.
