Even after 15 years of teaching first grade, we are constantly rethinking our behavior management system. What may have worked last year, doesn't quite pack the same punch this year. Hello Everyone!! Happy Holidays, all!! I hope your's were all you wanted, needed, and more!! I was able to spend so much quality time with my family, it was all I needed to rejuvenate after a very busy fall semester. 2019 is going to be a wonder-filled year as we welcome a new member to our family! Our lucky little leprechauns realize there are so many reasons they are lucky! So after a quick check of their whiteboards from us larger leprechauns, they are given their pot of gold and rainbow to quickly disappear into deep thought as they write and color their own reasons on their Lucky Rainbows. Well, as the saying goes, opinions are like....well, you know, and EVERYONE has one. Everyone except first graders, that is. Okay, okay, they have opinions & lots of them, but mine seem to have a hard time distinguishing opinion from fact.
