

Download Garelli Rally Sport Service Manual

Welcome. Garelli began in 1913 when Italian engineer Adalberto Garelli built his first motorcycle, a 350cc two-stroke. The company started in 1919, and by 1923 Garelli established a reputation of quality and reliability by setting 76 world records, mostly for endurance. Spoke length can be measured from different points in the head, such as the inner curve, the outer curve, or total length. So some spec sheets might list the same spoke as slightly different lengths. Besides that, spokes can be a little longer or shorter and still work fine, as long as the original spoke was not already short or long. 2007 Saab 9-5 Saloon RHD New Spanish Registration.
