Four-Bank System ; Grocery Store as Classroom ; The Grocery Store Challenge ; Perfectcents Newsletters ; Grocery Store As Classroom. When teaching your kids about the realities of money, don't lecture in the abstract. Each of my table groups will get their own Grocery Store Ad. Then, they will follow along with my worksheet, answering the questions. I tried to make sure that I had some Ratio, Unit Rate and then adding, subtracting and multiplying decimals in there as well. If you have ever wanted to produce your own "cheaper than dirt" survival food this is going to be the most important message you will ever read.
