We have chosen for display here, a sampling of the used food processing machinery & equipment items we have available for sale which best apply to FRESH CUT vegetable and fruit process applications: for companies that prepare pre-cut fresh salads, pre-cut fresh vegetable, or prepared fresh fruit products, and/or "wet salads". We may from time to time show items we have listed available for sale ... We have chosen for display here (below), a partial sampling, in alphabetical order, of many of the used food processing machinery & equipment items we have available for sale. We may from time to time show items we have listed available for sale elsewhere, but most, if not all of what you will see here is in stock, available for timely shipment from our on-site inventory. Korics is a company that dreams come true, and respects your thoughts.
