The 3D Tractors are available with a gear drive transmission with eight speeds in both forward and reverse directions. It includes a drivetrain built with heavy-duty components, similar to those used in some John Deere utility tractors. Simple Twin Touch pedal controls make the 3 Series hydrostatic transmission one of the simplest to operate in its class. Our easy-to-use pedal controls reduce fatigue while making loader chores and dozens of other tasks a snap. Find used John Deere tractors under 40 hp for sale near you.
