

# Download Lab Experiments For Digestive System

Welcome to our study with Apologia's Human Anatomy and Physiology.. Today, we are on module 4 – the digestive system. We've done some easy, fun digestive system experiments that have taught us more about how parts of the system work together. For our homeschool science fair my seven year old son's topic was the human digestive system. He is a hands-on learner so I wanted him to have a physical demonstration to present. After our study of Earth Science, we'll be jumping into the human body. So you'll see a weekly science worksheet addition to our human body study with different human body system worksheets. Because who isn't interested in the human body? It's bloody, squishy and gross, kids will love it ...Medical Simulation, Medical Education, Medical Simulators, Human anatomy models and charts, Physics equipment and Biology supplies, Science Education, Physiotherapy and Acupuncture supplies
