Metroid is an action-adventure game developed and published by Nintendo. The first installment in the Metroid series, it was originally released in Japan for the Family Computer Disk System peripheral in August 1986. North America received a release in August 1987 on the Nintendo Entertainment System in a ROM cartridge format, with the European release following in January 1988. Deku rates this game: 5/5. Personally one of my favorite nes games of all time, and maybe even my favorite, you play as Samus Aran, a bounty hunter, and you must traverse the planet, through various terrains, destroying creatures, and also retrieving upgrades, giving yourself more powers and abilities. Samus Aran (Japanese: サムス・アラン, Hepburn: Samusu Aran) is the protagonist of the Metroid science fiction action-adventure game series by Nintendo. She was introduced in the 1986 video game Metroid. Samus Aran is an ex-soldier of the Galactic Federation who became a galactic bounty hunter, usually fitted with a powered exoskeleton that is equipped with weapons such as directed ... But before we get down to the nitty gritty, a little bit about me. I got my first NES on Christmas Day 1988. I was 10 years old. I played the shit out of that thing, but during my childhood we only got about 8 games (Super Mario Bros / Duck Hunt, Mario 3, Terra Cresta, Dr. Mario, DuckTales, Tecmo Super Bowl, Operation Wolf, and Castlevania).
