

# Download Philips Avent Silicone Diaphragm For Manual Breast Pump

Philips Avent Silicone diaphragm for breast pumps To bring vacuum in the breast pump. This silicone diaphragm creates vacuum in your manual breast pump. Philips Avent Silicone diaphragm To bring vacuum in the breast pump. This silicone diaphragm creates (together with the stem) vacuum in your manual breast pump. Replace worn or deteriorated diaphragms in your Philips Avent Comfort Manual Breast Pump with Philips Avent silicone diaphragms. Replacing the diaphragm restores the pump's original suction power and keeps it working at peak performance. Replace diaphragm every few months or as needed to ensure your pump stays as good as new. The diaphragm is made from durable silicone, and like all Philips AVENT breast pumps and components, it is 100 percent BPA-free. The diaphragm is also dishwasher safe for easy cleaning.
