Figure-Ground is the condition in which background tone or hue changes the visual impact of the figure resting on it. The same hue or value appears to be a different depending upon the contrast of tone or hue of the background upon which it is placed. advanced instruction. Making Color Sing by Jeanne Dobie – Jeanne Dobie is a no nonsense teacher. She paints a refrigerator to prove to you that "anything can be painted!", then declares that "using the brain more than the brush" is essential to transform your visual idea into a creative watercolor. Origami (???, from ori meaning "folding", and kami meaning "paper" (kami changes to gami due to rendaku)) is the art of paper folding, which is often associated with Japanese culture. In modern usage, the word "origami" is used as an inclusive term for all folding practices, regardless of their culture of origin. The goal is to transform a flat square sheet of paper into a finished ...
