Death is a fictional character from the DC comic book series, *The Sandman* (1989–1996). The character first appeared in *The Sandman* vol. 2, #8 (August 1989), and was created by Neil Gaiman and Mike Dringenberg. In the stories, Death is both the end of life and a psychopomp. Like most anthropomorphic personifications of death, Death meets with the recently deceased and guides them into their ... This copy of *Frankenstein* (PML 16799) contains extensive additions and emendations by Mary Shelley. It is an essential document for understanding the intentions of the author, who wrote nearly two thousand words in the margins of passages she hoped to improve in a later edition.
