School librarians are considered specialists directors, supervisors, library/media specialists, school nurses, school psychologists, school social workers, occupational therapists, others ... Examples: This SGO covers all 7th grade students, who ... Student Learning Objectives Resource Library Student learning objectives (SLOs) are emerging as one measure to assess teachers' contributions to student growth in educator evaluation systems. To support states and districts in developing and implementing SLOs, the GTL Center is curating a searchable collection of SLO resources. Student learning objectives (SLOs) are teacher-driven, student-centered, data-informed, standards-based goals that measure an educator's impact on student learning growth within a given interval of instruction. The use of SLOs promotes collaboration among teachers, administrators, and support staff to make data-Student Growth Objectives; ... Teacher Leadership; SGO Exemplars. SGO Exemplars for Teachers. This is a non-exhaustive set of SGOs that should be used to help inform educators when developing SGOs tailored to their own teaching assignments. ... the examples below align to the most current guidance from the Department regarding SGOs and include ...
