Allow me to introduce myself: I am Maryrose Wood, author of the series of books about the Incurrible Children of Ashton Place and their plucky young governess, Miss Penelope Lumley. BOOK 1 The Mysterious Howling. Found running wild in the forest of Ashton Place, the Incurribles are no ordinary children.

Alexander, age ten or thereabouts, keeps his siblings in line with gentle nips; Cassiopeia, perhaps four or five, has a bark that is (usually) worse than her bite; and Beowulf, age somewhere-in-the-middle, is alarmingly adept at chasing squirrels. Jon Klassen CM (born November 29, 1981) is a Canadian writer and illustrator of children's books and an animator. He won both the American Caldecott Medal and the British Kate Greenaway Medal for children's book illustration, recognizing the 2012 picture book *This Is Not My Hat*, which he also wrote. He is the first person to win both awards for the same work. An Archive of Our Own, a project of the Organization for Transformative Works
