

Download Tips And Tricks In Trauma Management

It's time for Behavior Management: Part 2 – The Positive Strategies. If you missed Part 1, make sure you check that out too! That post discussed what NOT to do! Behavior management in any classroom can be tricky, but a trauma-informed classroom will look different than traditional methods.. Here are some of my tips and tricks for behavior management!

emDOCs subscribes to the Free Open Access Meducation initiative. Our goal is to inform the global EM community with timely and high yield content about what providers like YOU are seeing and doing everyday in your local ED. EMedHome.com is an accredited provider of Continuing Medical Education for Physicians. Disclaimer: The information presented on EMedHome is not intended to suggest a standard of care or otherwise to recommend how a given patient should be treated under any particular circumstances. I could have written very similar myself - I always now wear the Bose headset because sudden sounds come from "nowhere" - screaming kids, motorcycle, snowmobile, truck, back-fire, sirens, paging overhead etc etc etc I have discovered there is a way of dental drilling without the drill, so I have a new dentist now (thank god there is one because I live in a very small city, and dental drilling ...
