Mega Man: Dr. Wily's Revenge is an action-platform video game by Capcom for the Nintendo Game Boy. It is the first game in the handheld series of the Mega Man franchise. It was released in Japan on July 26, 1991, and was localized in North America that December and in Europe the following year. The following Robot Masters are from Mega Man Powered Up. Their actual numbers are not known, but their presence at the time of the first game would logically make them part of the DLN series. Mega Man, known as Rockman (????? Rökkuman, from the phrase "Rock'n Roll") in Japan, is the title protagonist of the "Classic" Mega Man series developed by Capcom since 1987. He is also known as Mega or Rock in his original form. The pixel art for him was created by the designer of the original...
