The 101st Airborne Division (Air Assault) became the first unit to field the U.S. Army's new M17 and M18 Modular Handgun System. Having the right ammo means a lot for the shooting of your handgun. It is the reason many people like taking time to find the best 9mm self-defense ammo for concealed carry. The Auto Mag Ltd. Corp. announced it was now shipping the Classic .44 pistol. The initial pistols are the .44AMP Founders Edition guns with the 8.5" barrel.
